

Self-Quarantine Acknowledgement and Confirmation

Self-Quarantine portion of Governor Steve Bullock's directive issued April 22, 2020:

- Any person coming to Montana from another state or country for a non-work-related purpose must immediately self-quarantine for 14 days. If a person will be present in Montana for fewer than 14 days, that person must self-quarantine for the duration of the visit.
- Any person who has already arrived in Montana from another state or country for a non-work-related purpose before the date of this Directive must immediately self-quarantine for the remainder of a 14-day period beginning on the date of their arrival in Montana, or until their departure from Montana—whichever is sooner.
- The Montana Department of Commerce will advise persons listing hotels, rental properties, or other short-term rentals in Montana—including but not limited to listings on such services as Airbnb, VRBO, HomeAway, and related services—to include notice of the mandatory quarantine for travelers from another state or country.
- These quarantine restrictions do not apply in the following circumstances:
 - to persons traveling through Montana en route to another destination; or
 - to public health, public safety, or healthcare workers
- These quarantine restrictions shall apply to Montana residents and non-residents alike.
- In addition to these restrictions, persons required to self-quarantine under this Directive shall also comply with the requirements of all other Executive Orders and Directives issued by me. This Directive shall not be construed as limiting the effect of any previously issued Directive or Executive Order.

I _____, acknowledge and confirm that I have met the requirements of the Self-Quarantine Directive issued by the Governor.
