

CODE OF ETHICS

1. I will have respect for the resources at all times and also make every reasonable effort to ensure that my clients do not abuse them.
2. I will cooperate with State and Federal Fish & Game officials and will abide by and advise my clients of all applicable conservation and Fish & Game laws, statutes, and regulations and will not condone their violation.
3. I will maintain serviceable equipment and gear in good working condition.
4. I will employ well-trained, courteous, and sufficient personnel to adequately care for guests and to facilitate rendering of services.
5. I will maintain neat, orderly, and sanitary conditions at all times. I will provide reasonable, well-prepared, palatable, and balanced fare for clients and personnel in keeping with conditions of the trip.
6. Rates, accommodations, and services will be clearly defined to prospective clients.
7. I will not misrepresent rates, services, accommodations nor otherwise mislead prospective clients through false or fictitious advertising.
8. I will conduct my business in an ethical and prudent manner in accordance with the standards required by licensing regulations.
9. I will make every reasonable effort to provide for the safety of clients and personnel and when necessary will not hesitate to remind anyone of safety rules or call their attention to any other unsafe practices.
10. I will at all times conduct myself in a professional manner with due respect to the rights and privileges of other members, clients, and the general public.
